

Saleen Explorer XP

"The Saleen Explorer has an excellent combination of room, carrying and towing capacity coupled with good maneuverability, plus a little something new to put the sport in sport-utility" ROAD & TRACK

"The Saleen Explorer notched through corners precisely, satisfyingly, and with almost no body lean" USA TODAY

"The lowered profile, suspension improvements, and bigger wheels and tires on the Saleen Explorer improve steering response and lower the center of gravity" LA TIMES

Now, even if you need a vehicle large enough to accommodate a family, cargo or foursome, you don't have to miss out on owning one with the look and feel of a sports car. Saleen Performance has redefined what a sport/utility vehicle can be. Whether you're tackling uphill mountain roads,

getting to the golf course or trekking the kids to their soccer game, the Saleen Explorer gets you there in style. Built with power and a lower center of gravity, the Saleen Explorer connects to the road and corners with precision, providing excellence in balance and steering response. Traction and style stream across the back roads or the highways, combining the stopping power of

"Saleen" script brakes and a responsive suspension, giving your family and friends a fun, smooth ride. Now you're going to have another place to have fun besides the tennis court or golf course—on the way.

As you take the highway in the Saleen Explorer you could forget you're in a roomy, comfortable sport/utility vehicle. With creative styling and precision performance from an optional supercharged engine, Racecraft Suspension and 18" wheels and tires, the Saleen Explorer gets you where you need to go in a chassis that hugs the road and corners like a dream. With cargo or kids, you just might forget you're not on the race track.

Saleen Explorer XP

Ownership of a Saleen Explorer places you in a select group of performance enthusiasts both past and present. Each and every Saleen Explorer carries a registered serial number. This number, along with the owners name and all specifics relating to that particular automobile, will be entered into the Saleen Registry of Owners.

For collectors, this is a tremendous source of tracking the over 5,000 Saleen vehicles built since 1984. Additionally, this information adds to the outstanding resale value Saleen owners have experienced through the years.

You can experience the driving pleasure of the

Saleen Explorer by visiting your Ford/Team Saleen Certified Dealer. Your dealer is the best source for up-to-date information on specifications, service, warranty and financing. Ford Credit offers a variety of financing options to

qualified buyers which can be arranged at the dealership. In addition, optional Ford Extended Service Plans for your Saleen Explorer that go beyond the standard warranty are available.
