

SALEEN

The true driver's car is almost a myth these days. A car that achieves the ideal balance of power, handling, braking and environment. The Saleen Mustangs are true driver's cars. No myth. No compromise.

Offered as the S351 Coupe/Convertible with a specially built Saleen 351 CID engine providing 500 supercharged horsepower, each Saleen Mustang is a handcrafted work of art, a masterpiece of performance and personality.

A unique blend of purposeful styling,

THE LIMITED EDITION SALEEN MUSTANGS. WHEN YOU GET SERIOUS ABOUT PERFORMANCE.

S351 COUPE

a new generation of Racecraft-N2 suspension, precise chassis-tuning and lessons learned through years of intense auto racing programs have enabled Steve Saleen to design and engineer performance capabilities of the Saleen Mustangs to levels approaching those of pure bred race cars.

The new Saleen Mustangs are designed to fulfill every expectation of discerning motorists who understand and appreciate what a true high performance automobile should be.

All that the Saleen Mustang needs is a road, a spirited thought and you.

POWER IN THE HANDS OF A FEW.

OPTIONAL EQUIPMENT

Exclusive Saleen twin gauge pod (deletes clock), featuring boost and fuel pressure gauges.

Only specially selected fine grain hides are used in the handcrafted leather trim package.

CD changer available at your certified Saleen dealer.

Saleen/Vortech supercharger, standard on Saleen S351 and SR.

Another Saleen Exclusive! Saleen/Alcon 4-piston calipers with 13.0 in. grooved disk. Incredible stopping power.

Special tire upgrade package, high performance Michelin Pilot P265 front P295 rear standard on SR.
