# S 2 8 1 E X T R E M E

As Saleen's dream of the S281 Extreme began to take shape, the goal was quite simple: to allow "turn-key" access to the ultimate experience in driving. Designed to fulfill one's every expectation of a true high performance automobile, the Saleen S281 Extreme delivers at levels approaching those of a pure bred race car. With Saleen's exclusive blend of purposeful styling, precise chassis-tuning, and state of the art performance developed through years of auto racing, you better believe the S281 Extreme lives up to its name.
