SALEEN/PARNELLI JONES
LIMITED EDITION
MUSTANG

You have but one mission when driving this car: Keep the legend of #15 alive. So, before you get behind the wheel, raise your right hand, and do so solemnly swear to abide by the following Parnelli code of driving. Always drop a gear to pass. Be sure to drive a stake through the heart of the apex. Then explode out of the corners every chance you get using all 390 lb-ft of Torque. And lastly, never, ever play the 500-watt Shaker so loud that you can't hear the burble of the sweet 302. After all, you don't want to disappoint Mr. Jones. And neither do we.
