

## SELECT FORD RACING AND mountune® PERFORMANCE PARTS LIMITED WARRANTY

Rev. July 15, 2014

Ford Motor Company, The American Road, Dearborn, MI 48025, provides a Limited Warranty on select Ford Racing and mountune® Performance Parts as described herein when installed on late model Ford vehicles. This warranty works in conjunction with -- and does not void -- the Manufacturer's New Vehicle Limited Warranty. It is valid for the original retail purchaser of the vehicle and is transferable to subsequent vehicle owners.

### **Performance Packs and Component Parts**

Performance Packs and Components are warranted for factory-supplied material or workmanship when installed on a late model Ford vehicle by an authorized Ford or Lincoln Dealer, Shelby American, Inc., or mountune LLC. The Performance Packs and Components Limited Warranty begins upon dealer installation and registration of the part(s) with Ford Racing and remains in effect for the balance of 36 months or 36,000 miles / 60,000 kilometres, whichever occurs first, *calculated from the start date of the manufacturer's New Vehicle Limited Warranty.*

**Installation of these select Ford Racing and mountune LLC warranted performance packs and components by an authorized dealer will NOT void your New Vehicle Limited Warranty.** Engine, driveline and suspension concerns not caused by Ford Racing Performance Parts remain eligible for warranty coverage according to the terms of the New Vehicle Limited Warranty.

**Ford Racing and mountune LLC performance parts are aftermarket parts.** The use of Ford Racing and mountune performance parts may impact the performance characteristics of other systems of the vehicle. Even when operating properly, Ford Racing and mountune performance parts, such as these, have the potential to adversely impact other systems of the vehicle. If an adverse impact is caused by a warranted Ford Racing or mountune performance pack or component, the period and coverage of this Ford Racing Limited Warranty applies to the repairs.

**Premium Fuel Requirement:** Customers who purchase power upgrade packs, cold air kits with calibration, TrackKey/Track Cal engine calibrations, or superchargers are required to use 91-octane or higher fuels at all times. Any failures associated with the non-use of premium 91-octane fuel will be ineligible for warranty repair.

**FR3 Performance Handling Pack Note:** Performance handling packs are designed for "Track Day" ride and handling. Such performance standards suggest the vehicle ride will be more indicative of race performance vehicles. Certain vehicle conditions including, but not limited to, squeaks, rattles and harsh ride related to Performance Handling Pack will not be covered under this Limited Warranty. The performance handling pack requires the use of original equipment size wheels only. This performance handling application should be expected to accelerate tire wear. Premature tire degradation will not be covered under this Limited Warranty. The front end alignment must be checked and adjusted as necessary after installation. Contact the Ford Performance Call Center at (800) 367-3788 or [fwrnty@ford.com](mailto:fwrnty@ford.com) for front end alignment information.

**Warranty Registration:** This limited warranty requires that parts must be purchased from an authorized Ford Racing Dealer and installed by a Ford or Lincoln Dealer, Shelby Automotive, Inc., or mountune LLC. Proof of purchase is required for submission of warranty claims. Registration for this warranty must be submitted by a Ford Dealer, Shelby Automotive, Inc., or mountune LLC through the Ford Performance Call Center (800)367-3788 or [fwrnty@ford.com](mailto:fwrnty@ford.com) with Dealer P&A Code, the vehicle identification number (VIN), part installation repair order and date, Ford Racing part number, and owner information.
